Scheme of Delegation

1. INTRODUCTION AND SCOPE

- 1.1 This Scheme of Delegation (referred to as *the Scheme*) seeks to outline where decision-making authority in the name of or on behalf of Bournemouth University (BU) resides and where this authority can and has been delegated.
- 1.2 No such scheme can be fully comprehensive, however, by identifying where authority lies or has been delegated the Scheme sets a framework through which other matters may be resolved. The Clerk to the University Board and the Chief Operating Officer will advise on matters which are not explicitly addressed in the Scheme.
- 1.3 The Scheme has been drawn up under the Instrument and Articles of Government for Bournemouth University. In the event of any inconsistency between the Scheme and the Instrument and Articles of Government, the Instrument and Articles take precedence. The Scheme is closely related to the University's Financial Regulations which are also approved by the University Board and this Scheme is not intended to address matters set out in detail in those Regulations. **The Financial Regulations contain delegations and authorities, including the Financial Authority Limits.** The Financial Regulations also set out responsibilities and delegations in relation to financial transactions, budgets, capital projects and property and must be consulted alongside this Scheme.
- 1.4 The University Board and those to whom powers are delegated shall at all times act within the requirements of the Office for Students (OfS) Regulatory Framework for Higher Education in England, the OfS Terms and Conditions of Funding for the relevant year and the Terms and Conditions of Research England Grant. The Board and all those to whom powers are delegated shall also comply with the CUC Higher Education Code of Governance to the full extent that it has been applied at BU as determined by the Board.
- 1.5 The OfS Regulatory Framework contains guidance on compliance with the conditions of registration and examples of provider behaviours that the OfS considers may evidence compliance with its requirements and examples of behaviours that it considers may evidence non-compliance. In all decision-making at BU compliance with OfS regulatory requirements (including all conditions of registration and the public interest governance principles) and BU's obligations as an exempt charity must be duly considered and evidenced.
- 1.6 The Scheme identifies responsibility for the final approval stage of decision-making and the individual or body that this has been delegated to where appropriate. The Scheme does not identify the stages leading up to the decision-making stage, for example, responsibility for formulating strategic, policy and business proposals.
- 1.7 It is the responsibility of all those with delegated powers under this Scheme to have informed themselves and read the OfS Regulatory Framework published here: <https://www.officeforstudents.org.uk/advice-and-guidance/regulation/the-regulatory-framework-for-higher-education-in-england/>
- 1.8 In the event of a major incident or crisis decisions may need to be made by exception outside normal practices. Specific authorities and responsibilities in such circumstances are set out in the University's Major Incident Plan.

2. DEFINITIONS AND TERMINOLOGY

- 2.1 The names of committees and the titles of posts may change from time to time. This shall not invalidate the powers of the equivalent successor committees or post holders.

- 2.2 *The “holders of senior posts” means the Vice-Chancellor, the Clerk and the holders of such other senior posts as the [University Board] may determine and “holder of a senior post” shall be construed accordingly (Article 1.1 of the Articles of Government).* This is applied within BU to the University Executive Team members and the Clerk to the University Board.
- 2.3 The University Executive Team (UET) is the Vice-Chancellor, the Pro Vice-Chancellor for Research and Knowledge Exchange, the Pro Vice-Chancellor for Education and Quality and the Pro Vice-Chancellor for Student Experience, the Finance Director and the Chief Operating Officer.
- 2.4 It is custom and practice within the University to use the term “*Board Members*” and this phrase is used throughout this document. For these purposes it has the same meaning as “*Members of the Board of Governors*”, “*Governors*” and/or “*Trustees*” which are found in the University’s constitutional documents and elsewhere. “*The University Board*” means “*the Board of Governors*”.
- 2.5 “*The Corporation*” means the Bournemouth University higher education corporation.

3. CONDITIONS

- 3.1 Under exceptional circumstances, the University Board, Senate and the Vice-Chancellor reserve the right to approve any matter which would normally be delegated by them to others within the Scheme. Any such occurrences shall be recorded through the appropriate minutes.
- 3.2 Should a matter or decision arise which is within the delegated authority of an individual or body but to which a sensitive, political, reputational, regulatory or other similar issue is attached, the decision should be referred to the appropriate (normally higher) level. If there is doubt as to the appropriate decision-making level, advice should be sought from the Clerk to the University Board in the first instance.
- 3.3 Actual or delegated powers shall only be granted provided financial provision has been made in the budget approved by the University Board.
- 3.4 Failure to adhere to the Scheme may lead to removal or restriction of authority and/or may result in disciplinary action.

4. COMMITTEES
